**Keywords:** list the keywords covered in your paper. These keywords will also be used by the publisher to produce a *keyword index*. Do not use the main subject(s) of the publication as keywords. Instead, be specific on your paper's topics.

**Abstract** The text should start here. The word "Abstract" should be no less than 9 cm (3.6 inches) from the top of the paper.

**Subtitles** (including Abstract) should be left-aligned and in **Boldface** or CAPITAL letters.

**Single Spacing** should be used, unless subscripts and superscripts require 1-1/2 spacing.

**Tables** (refer with: Table 1, Table 2, ...) should be typed as part of the text, but in such a way as to avoid confusion with the text.

**Figures** (refer with: Fig. 1, Fig. 2, ...) also should be presented as part of the text, leaving enough space so that the caption will not be confused with the text. Generally, only original drawings or photographic reproductions are acceptable. Only very good photocopies are acceptable. Utmost care must be taken to **insert the figures in correct alignment with the text.**

**Equations** (refer with: Eq. 1, Eq. 2, ...) should be numbered sequentially on the right-hand side.

**Footnotes** should be slightly smaller or in the same letter size as the text, single spaced and well separated from the text.

**References** should be indicated by [1, 2] and listed at the end of the text. The citation convention is: [1] H.B. Smith, Mater. Sci. Forum 204-206 (1996), p. 785.

**For correspondence with readers**, please include e-mail address and/or web site and/or fax number of the author to whom correspondence should be sent at the end of your paper (after the references).

**Paper:** Use good quality, white paper of approx. 8 x 11 inches or 21 x 29 cm.

**Typing Area:** 17 cm wide by 25 cm tall. Please fill this area as much as possible.

**Quality of Type:** Use a laser printer or an electric typewriter with a carbon ribbon. Please do not use a cloth ribbon, and do not use a matrix dot printer.

During the printing process, **your text will be reduced by approximately 20%**. Please keep this in mind when designing your figures and choosing the typeface for the text and the tables. A 12 point Times Roman is recommended.

Please **keep a second copy of your manuscript in your office** (just in case anything gets lost in the mail).

When receiving the manuscript, we assume that the corresponding authors grant us the **copyright** to use the manuscript for the journal or book in question. Should authors use tables or figures from other publications, they must ask the corresponding publishers to grant them the right to publish this material in their paper.
